

Makin Laboratories

WHO-GMP Certified Third-Party & Contract Manufacturing for
Nutraceutical and Herbal Brands straight from the heart of India.

You Bring the Formula. We Handle Everything Else.

Once your formula arrives at Makin, we take full ownership from sourcing raw materials to manufacturing, quality testing, packaging, and dispatch. All under one WHO-GMP certified roof in Pithampur, Madhya Pradesh.

Third-Party Manufacturing & Contract Manufacturing

Your formula, our facility, our quality systems end-to-end.

Flexible terms for Indian brands and international exporters alike.

Toll Manufacturing

You supply materials; we handle production and quality.

Two Ways We Partner With You

□ Ready Formula?

Great. You bring the finished formula, artwork, and packaging requirements. We source materials, manufacture under WHO-GMP conditions, run full quality testing, and dispatch with a Certificate of Analysis.

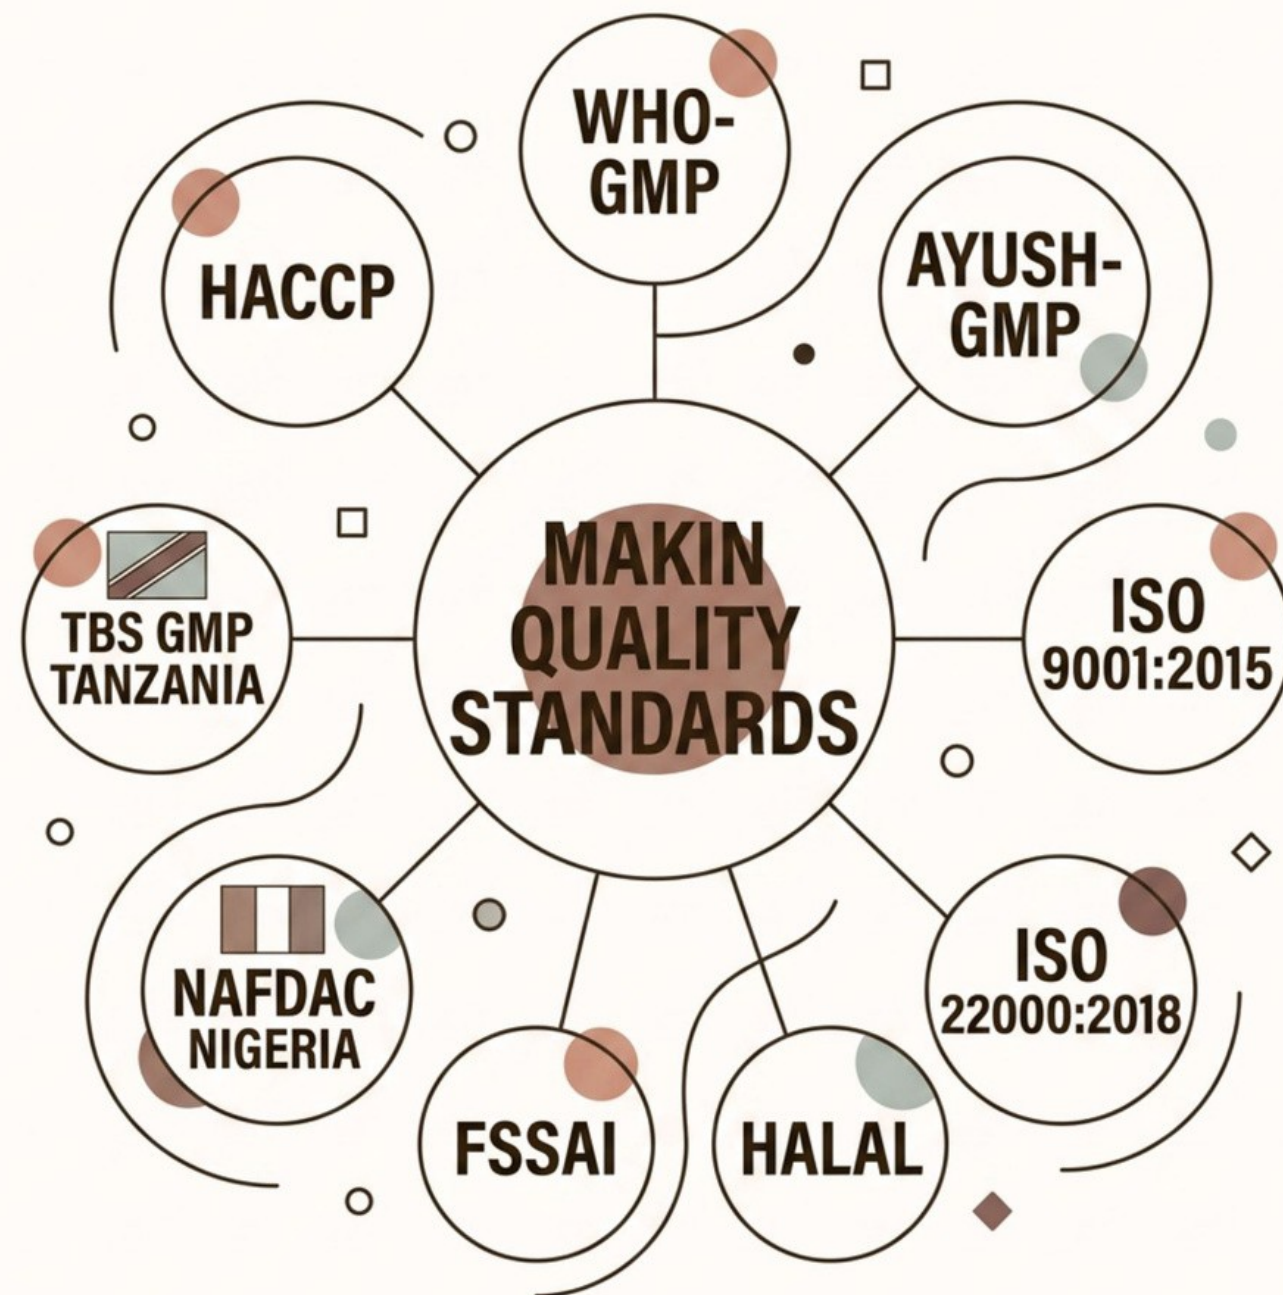

□ Need Development Help?

No problem. Bring your concept or partial formulation. We'll review, finalize, and optimise it for manufacturing scale then move straight into commercial production once approved.

From **15+ dosage forms** — tablets, softgels, capsules, syrups, creams, topicals, and more.

The Same High Standards. Single Batch.

Global Reach

We manufacture for India's domestic market and export to Africa, the Middle East, and beyond with certifications trusted by regulators worldwide.

Ready to Start Your Manufacturing Order?

Tell us your dosage form, target market, and approximate monthly volume and we'll get back to you within **one business day** with a feasibility confirmation and quote. No obligation, just a conversation.
